

	Search Text
1	(function signal) adj generator and measur\$6 with current and measur\$6 with (voltage ir) with drop
2	(function signal) adj generator and measur\$6 with current and measur\$6 with (voltage ir) with drop and @ad<="20040116"
3	(function signal) adj generator and measur\$6 with current and measur\$6 with (voltage ir) with drop and @ad<="20040116" and capacitor
4	(function signal) adj generator and measur\$6 with current and measur\$6 with (voltage ir) with drop and @ad<="20040116" and capacitor and capacitance same (connect\$7 interconnect\$5 path line trace wire parasitic) and resistance same (connect\$7 interconnect\$5 path line trace wire parasitic)
5	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6
6	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and (function signal) adj generator
7	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and (function signal) adj generator and @ad<="20040116"
8	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and (function signal) adj generator and @ad<="20040116" and measur\$6 with current and measur\$6 with (voltage ir) with drop
9	rc same measur\$5 and rc same extract\$4 and parasitic and "716"/\$.ccls.
10	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and "716"/\$.ccls.
11	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and "716"/\$.ccls. and measur\$6 with current and measur\$6 with (voltage ir) with drop
12	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and measur\$6 with current and measur\$6 with (voltage ir) with drop
13	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and measur\$6 with current and measur\$6 with (voltage ir) with drop and (function signal) adj generator
14	(rc or resistance same capacitance) same (parasitic connect\$7 interconnect\$5 path line trace wire) same measur\$6 and measur\$6 with current and measur\$6 with (voltage ir) and (function signal) adj generator
15	(capacitance same resistance same measur\$6 and (function signal) adj generator and measur\$6 with current and measur\$6 same ( ir voltage) same drop).clm.
16	((capacitance same resistance or rc) same measur\$6 and (function signal) adj generator and measur\$6 with current and measur\$6 same ( ir voltage) same drop).clm.
17	((capacitance same resistance or rc) same measur\$6 and (function signal) adj generator and measur\$6 with current and measur\$6 same ( ir voltage)).clm.
